

YOU are the RPA!

You work a job or hope to; you're self-employed, run a small business, or you're retired.

You appreciate our precious right to vote.

You want what's fair and best for everybody.

You worry about young people's chances, affording a home, and about safety and health.

You hope you will have enough.

You see the rich and powerful evade taxes, break laws, and abuse democracy.

You are thankful people get involved in Richmond and try to make a difference.

Sometimes you get involved.

Sometimes you're too busy.

**You are Richmond.
You are the RPA.**

Who is the...

***United to keep
democracy
of, for, and by
the people
in Richmond***

Make Your Voice Heard

What do you think needs attention in Richmond? RPA members have chosen these kinds of priorities:

- Bringing well-paying, sustainable jobs to Richmond, such as Lawrence Berkeley National Lab (LBNL)
- Working to reduce crime
- Organizing against racism
- Defending neighborhood schools
- Campaigning to expand open spaces, the Bay Trail, and playing fields for our kids
- Mobilizing for immigrant rights
- Supporting new ways to end homelessness and foreclosures
- Holding the Chevron refinery responsible for worker safety, environmental health, and for their fair share of taxes
- Keeping city government accountable

Speak Truth to Power

We can continue to build our beloved community by electing more people we trust to City Council; people free to care about us and what's best for Richmond. That's why the RPA only endorses candidates who don't owe their election to corporate contributions.

When you join the RPA (just \$12 a year), we all have more clout, because – together – our voice is stronger.

Along with Dr. Martin Luther King, Jr. we believe, "Love and trust will triumph over fear and hatred. Peace and justice will prevail."

Join and Be Strong

We hold different views sometimes but when diverse races, ethnicities, and cultures join forces in a democracy, there's no greater power on Earth.

Our efforts - one Richmond united behind issues that matter to us - can reduce inequality, crime, and violence. We can have a healthy, prosperous, safe, just, and great city.

That's what you want; that's what the Richmond Progressive Alliance wants.

The RPA works to make sure the people of Richmond come first.
