

## RICHMOND MUNICIPAL ID CARDS 2011 COALITION

We are Richmond neighbors and we are **organizing** and **mobilizing**:

We want a **Municipal Identification Cards Program** for all Richmond residents interested **regardless of immigration status**

**We want a program that combines these benefits:**

- An official identification
- For all city residents wanting it
- With Prepaid Debit Card (ATM) services
- Safeguarding personal information
- At a low cost for the user for the basic ID (\$15)
- With no cost to the City.
- With minor Debit Card transaction fees
- Taking place in this year 2011

Come to the next meeting: Wednesday **April 13, 2011, 7-9 PM** Community room next to library [Macdonald & 26]  
Make copies of this flier and distribute them. Call the radio stations and mention that Richmond folks are working on a municipal ID program. Explain why we need it. Make a sign reading: **"We Want Richmond IDs"** and display it publicly [on the '5 de Mayo', for instance]. Talk to your neighbors and friends. Invite them to learn more and to organize y mobilize.
